ROSEMARIE ARNOLD

Rosemarie Arnold stands in front of a bulletin board covered with thank-you notes from her grateful clients.

Experienced. Aggressive. Professional.

ROSEMARIE ARNOLD FIGHTS TENACIOUSLY TO PROTECT people from the wrongs of others. She represents people who have been injured and helps them get justice.

Arnold's fighting spirit comes naturally. According to Mary Stuart, Arnold's third grade teacher, Arnold was "a perfectionist at age 8—at the end of the month, she always had the most points on the honor roll."

Juanita Paladino, Arnold's first client, met the budding bulldog more than 20 years ago when Arnold's office was the size of a

closet. Now it's a three-story building that houses the biggest personal injury firm in Bergen County. "Rosemarie Arnold is ferocious, but she also has a wonderful humanitarian side," Paladino says. "She really cares about you. With Rosemarie, you know you're in good hands."

"She's relentless to the end," says Evan Baker, a partner in Arnold's practice. "She knows how to cut right to the heart of the matter, and she will spare no expense to make sure the right things are accomplished."

Today, the Law Offices of Rosemarie Arnold is a New Jersey institution. In addition, Arnold and renowned attorney Joseph Tacopina have joined forces to create Tacopina & Arnold, a Manhattan-based firm that provides vigorous legal representation throughout the state of New York and beyond.

Outside of work, Arnold sits on the Board Of Education in Saddle River and is involved in an organization called HealthCorps, a foundation started by Dr. Mehmet Oz, co-author of *You: The Owner's Manual*, which works to educate kids on diet, nutrition and exercise.

Arnold, a certified civil trial attorney, is known for her trial skills—Bergen County's *The Record* has called her a "courtroom bulldog who won't be leashed." An in-demand media personality, she has shared her legal expertise with *Hannity & Colmes*, *CBS News*, *ABC News*, *The Today Show*, *Inside Edition*, *Maury Povich*, *NBC News*, *CNN*, *MSNBC*, *A Current Affair*, *Fox News*, *NY1*, *WB-11*, *The*

New York Times, *New York Post* and *Newsday*.

A powerhouse in the field of personal injury law, Arnold has been named to the *New Jersey Super Lawyers*® list every year it has been published.
